Villa Solei is a contemporary villa located in Residencial Jazmines, designed for an international client seeking a property with modern architecture, a practical layout and a residential experience closely connected to the outdoors and Mediterranean views. The project stands out particularly for its architectural concept: a home developed almost entirely on a single level, where the daytime and nighttime areas coexist on the same floor. This configuration is highly sought after within the luxury segment due to the comfort, functionality and sense of spaciousness it provides. The architecture embraces a clean and sophisticated image, combining large white volumes, natural stone cladding and expansive glazed surfaces. The property conveys a highly balanced contemporary aesthetic, free from unnecessary formal excesses and focused on spatial quality and the maximisation of natural light. The main living area is organised as a large open-plan spac...
